May, 1996

Hello Again.

Finally warmer weather! It seemed like winter would never end. We are slowly getting caught up from all the missed time from the past snow days. Thank you for your continued patience.

Since the response for the complimentary cosmetic consults has been so overwhelming, we have decided to extend the offer. So if you or anyone you know is interested in cosmetic improvement of their smile, we will take impressions of your teeth and photographs of your face and devise a plan. Again, you incur no cost for this consult nor do you incur any obligation whatsoever for future treatment.

We again wish to thank you for all your kind referrals. Remember to have the person you send bring their card so we can give you proper credit. (A \$25 credit on your account.)

Sincerely,

Dr. Stauber
